## New LED Lights in Dining Hall

All of the overhead lights in our dining hall have been upgraded to LEDs by Brother Grady Richardson. We owe him a huge debt of gratitude for donating the funds as well as his expertise, time and equipment to make this upgrade. These new lights really enhances the room and will lower our electricity costs. Thank you, Bro. Grady, for your interest in making our Lodge brighter and better.

## Lodge and Eastern Star Lights

A huge "Thank You" goes to Brother Jerry Johnson for donating his services to repair and upgrade the large lights on the front of our lodge building to LED. They sure look nice.
